Some items in this exam use a simulation of 77-886: SharePoint 2010. Consequently, functionality which is not directly relevant to the completion of a question may not be available. In particular, please note the following:

- Follow all instructions provided in each question completely and accurately.

You can navigate through the exam by using the **Tab** key. You can select answer choices or click buttons by using the **Space** bar. You can scroll using the **Arrow** keys.

The exam timer works against the time spent answering the questions and does not count the time required by the computer between questions.

This exam might include unscored questions. These questions appear randomly and are not scored; as a result, they have no effect on your final score. The data will be used to update and improve the quality of the exam.

**Pres** Welcome to the Alpine Ski House Team Site. Here you will find the resources that will help all of us run a successful operation. When communicating with potential visitors, remember to let them know about everything we have to offer, including:

- We have five mountains with 140 trails for skiers and snow-boarders of all abilities.
- Our mountains feature an extensive lift network with two high-speed gondolas that service everything from wide groomed trails to classic tree runs to parks, pipes, bumps and steeps.
- Visitors can stay at one of the many lodging facilities in the area. There are accommodations for all price ranges.
- Encourage visitors to enjoy a spa treatment, visit the shops, then indulge in a meal at a variety of excellent restaurants.

Add document

**Answer:**

Step 1: Click Site Pages

Step 2: Click View All Site Content Page

Step 3: Open the List ribbon from the List Tools group. Then in the Connect & Export group, located the command Connect to Outlook.

Note: SharePoint transfers all items from the SharePoint list to the new folder in Outlook.

## Question: 2

**Answer:**

Step 1: Click Site Pages

Step 2: Click on the Site Actions drop-down menu on the upper left of the page. Then select Site Settings.

Step 3: From the Site Settings page, select Site Permissions found in the Users and Permissions group of the Site Settings page.

Step 4: Click the Create Group button.

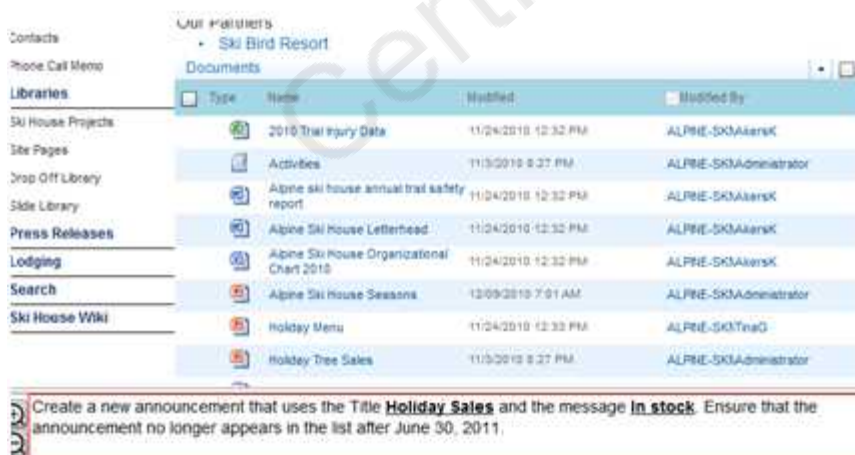

Step 5: On the New Group page, enter a group name Admin

Step 6: Grant everyone permission to view group membership.

Step 7: Grant group members editing rights by assigning the Design permission.

Step 8: Finish creating the group by clicking the Create button at the bottom of the page.

### Question: 3

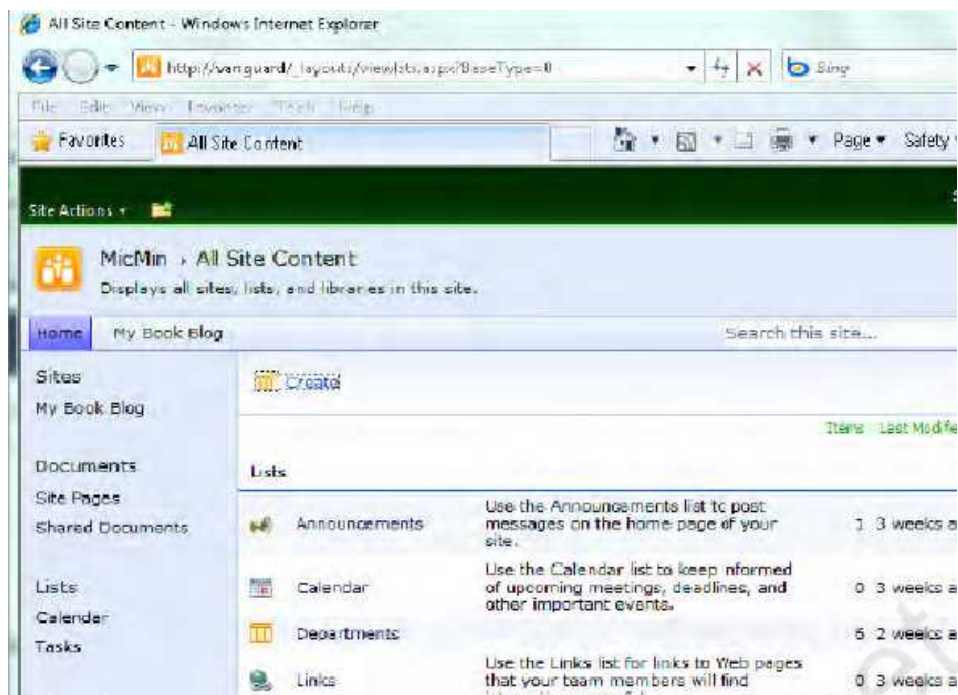

**Answer:**

Step 1: Click Site Pages

Step 2: Choosing View All Site Content from the Site Actions.

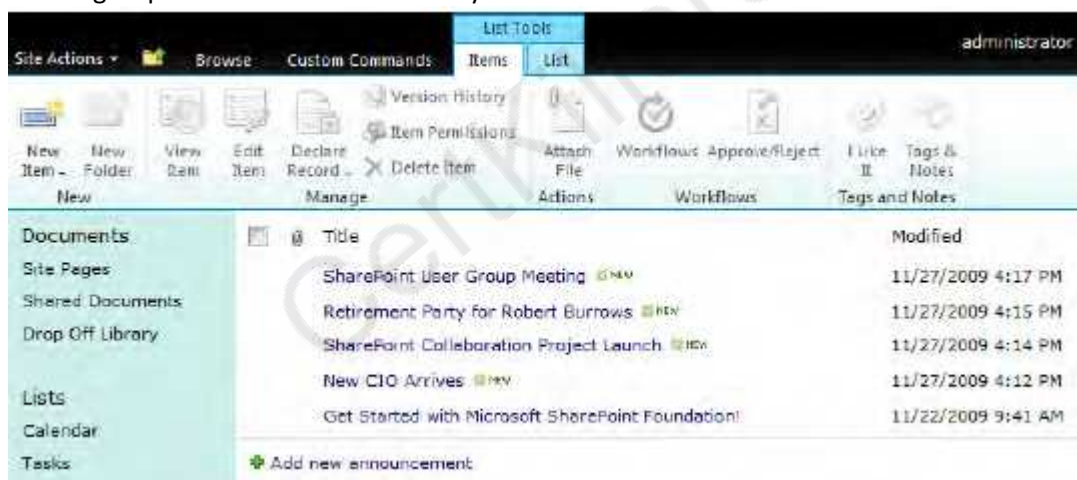

Step 3: Click Announcements.

Note:

Since you want to add a new announcement, you need to display the Items ribbon in the List Tools ribbon group. The Items ribbon allows you to add new items as well as edit and delete items.

Step 4: Click New Item in the New group to add another announcement (or click Add new announcement). This action opens the edit dialog for the list item, letting you supply the column values for a new item in the list using the same dialog as shown below.

Step 5: Enter Title: Holiday Sales.

Set body to: In stock.

Set Expires to: June 30, 2011.

Step 6: Click Save.
